

CALL FOR ABSTRACT

The Italian Academy of Conservative and Restorative Dentistry in conjunction with the European Federation of Conservative Dentistry, is delighted to announce that the ConsEuro 2017 Meeting will be organized in Bologna. During that meeting, scientists and researchers throughout the Europe will have the opportunity to present, discuss and critique their investigation. If you are involved in dental research, we urge you to submit an abstract for consideration for poster presentation.

Posters have to be presented in the following Categories:

- Biomaterials
- Clinical Cases
- Dental Education
- Endodontics & Pulp Biology
- Operative Dentistry
- Preventive Dentistry

The poster prizes are given to the best poster in:

Conservative/Restorative Dentistry the Restorative-Award

Dental Materials the Dental Materials-Award

Endodontics the Endodontic-Award

Dental Education the Dental Education-Award

Clinical Cases the Clinical-Award

Preventive Dentistry the Prevention-Award

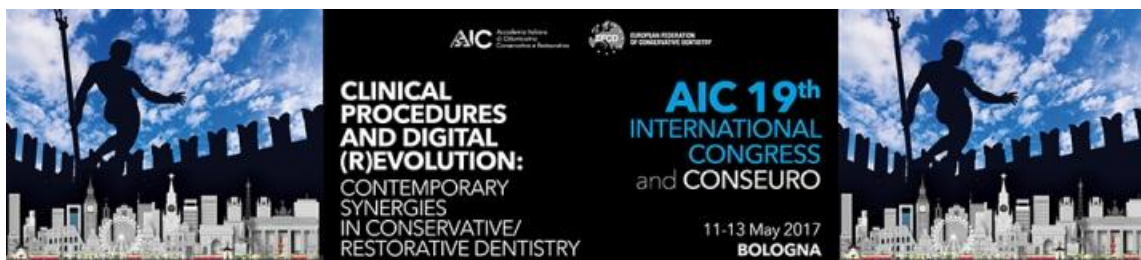

Student prize the Student-Award

The winners of each Categories will receive the sum of € 200,00.

A Commission, composed of an international panel of experts, will evaluate the posters and award the prizes.

ABSTRACT SUBMISSION GUIDELINES

Individuals may be presenters of only one abstract. The presenting author must be indicated within the authors list, but individuals may co-authors multiple abstracts. The submitted abstracts must be original researches, which has not been published elsewhere or presented in other meetings previously.

Every abstract must provide:

- A concise title which is limited to 12 words or less;
- An author list, with the presenter placed as first name. First (given) name, last (family/surname) name for each author plus affiliation must be indicated;
- The abstract category. Abstracts will be grouped in the following categories: Biomaterials, Clinical Cases, Operative Dentistry, Endodontics & Pulp Biology, Preventive Dentistry, Dental Education;
- The abstract text. The number of words allowed for the Abstract is 300 without heading and addresses. The abstracts must have the following structure: Objectives, Materials and Methods, Results, Conclusions. Do not include references. One table is permitted but it should be simple and concise. Titles, authors and authors' affiliations are not included in the 300 words limit.

Abstracts are reviewed as submitted by the abstract deadline of **January 27th 2017**. Presenters are not permitted to modify their abstracts after this date for purposes of this review. If accepted, abstracts will be published in a regular issue of *Clinical Oral Investigations* on line and in print version. The issue in question will be the April issue 2017, volume 21 issue 3.

All presenters must agree to the following **conditions** when submitting an abstract:

1. Affirm that any work with human or animal subjects complies with the guiding principles for experimental procedures found in the Declaration of Helsinki of the World Medical Association.
2. Affirm that the work has not been published (in print or electronically) or presented elsewhere prior to this Meeting.
3. Agree that if the abstract is accepted, EFCD has permission to publish the abstract in printed and/or electronic formats.
4. Agree to pre-register for the meeting and pay the appropriate registration fee by the presenter pre-registration deadline of **March 31st 2017**. Failure to pre-register by deadline, will result in the withdrawn of the abstract and, consequently, submitter will not be allowed to present his/her abstract at the meeting. The abstract will not be citable as being part of the Issue of *Clinical Oral Investigation*.
