
PRESS RELEASE

FOR THE ITALIAN ACADEMY OF CONSERVATIVE AND RESTORATIVE DENTISTRY,
THE HEALTH OF ITS MEMBERS COMES FIRST OF ALL
AND POSTPONES 2020 ACTIVITIES TO 2021

The Assembly of Active Members of the Italian Academy of Conservative and Restorative Dentistry - AIC - has taken the painful decision to suspend all activities in attendance scheduled for the year 2020 and postpone its programming to the next year 2021 in order to protect the health of its Members and of the numerous participants in the educational and cultural activities of the Academy.

Rome, 9 September 2020. After having long acknowledged that the epidemiological emergency from COVID-19 has upset the whole world of educational and cultural activities based on the in attendance format meetings (including its training activities) and that, above all, the pandemic has recently worsened following the increase in the number of infections which occurred at the end of the summer months, the Assembly of Active Members of the Italian Academy of Conservative and Restorative Dentistry, aware of the responsibility towards the health of its Members and of the numerous participants in educational and cultural activities of the Academy, in its session of last September 3 it has been accepted the proposal of the Executive Council by deciding that any activity in attendance scheduled for the year 2020 will be suspended and postponed to the next year 2021.

Both the 2021 Calendar and the 2020 online initiatives that the Academy will make available to its Members to support their training activities in this uncertain and difficult moment will be announced shortly by the AIC Executive Council.
