EXCELLENCE IN CONSERVATIVE DENTISTRY:
EXPLORING THE FUTURE

From May 7 to 9, 2026, Bologna will host an extraordinary event: the **27th AIC Congress**, which this year will once again include **ConsEURO 2026**. AIC and EFCD will partner to organize a major event that will combine Italian traditional clinical excellence with high-level educational and scientific content. For three days, distinguished speakers will share knowledge, experience, and forward-looking perspectives on the future of our profession. In addition, scientific sessions featuring oral and poster presentations, as well as a consensus teachers' meeting, will enrich this intensive and inspiring program.

On Thursday, the event will open with practical clinical sessions hosted by sponsors, along with the teachers' meeting, which will focus on the clinical approach and teaching methodology of Deep Margin Elevation. We will then address crucial topics such as the perio-restorative interface, deep fractures, and cervical resorptions, while the scientific oral and poster sessions will launch the research program.

Friday will be dedicated to conservative and aesthetic dentistry, with a focus on global trends, extensive direct restorations, digital planning, and innovative materials. The program will also include in-depth sessions on endodontics and a bioactive materials symposium highlighting the state of the art in this modern and fascinating minimally invasive field.

On Saturday, we will conclude with full-mouth indirect restorative dentistry and modern cariology, in a session that will also be open to dental hygienists.

AIC 27th Annual Congress & **ConsEURO**

BOLOGNA 7-9 MAY 2026

Running in parallel will be the program of the AOA—the Academy of Adhesive Dental Technology—which collaborates closely with AIC.

This multidisciplinary, international congress is the ideal way to celebrate AIC's 40th anniversary and to further strengthen its collaboration with the European Federation of Conservative Dentistry.

We warmly invite you to join us—don't miss this opportunity.

Because the future of operative and restorative dentistry is not told: it is lived.

And in Bologna, we will write it together.

See you in Bologna

We look forward to welcoming you!

Mario Alessio Allegri

AIC President 2025–2026

A handwritten signature in white ink that reads "Mario Alessio Allegri".

Nicola Scotti

EFCD President 2025–2027

A handwritten signature in white ink that reads "Nicola Scotti".

EXCELLENCE IN CONSERVATIVE DENTISTRY:
EXPLORING THE FUTURE

Thursday, May 7

Pre-Congress Activities

EX GAM 1st floor

9:30_{am} -1:00_{pm}

Sponsors' Clinical Tables

For Dentists

Each session will last 1 hour, followed by a 15-minute break for table changes. Participants may attend up to 3 Clinical Tables (one per time slot), to be selected at the time of Congress registration.

ITALIA HALL

9:30_{am} -1:00_{pm}

"Deep Margin Elevation: Clinical and Educational Aspects Today" – Teacher Meeting

The ConsEuro Teacher Meeting is a dedicated session designed primarily for university professors in restorative and conservative dentistry. It offers a focused forum to exchange ideas, share academic experiences, and discuss topics related to clinical practice, research, and curriculum development. Although conceived for Teachers members, the meeting is open to all participants who can select this event during the online registration process.

2:00_{pm} -6:00_{pm}

Poster session – oral presentations

EXCELLENCE IN CONSERVATIVE DENTISTRY: EXPLORING THE FUTURE

General information

Congress Venue

The venue is the **Palazzo della Cultura e dei Congressi**.

Please see the address details below:

Palazzo della Cultura e dei Congressi

Piazza della Costituzione, 4

40128 Bologna / Italy

For further information on the congress Centre, please visit their official website at → www.bolognacongressi.it.

Languages

The official language is English.

The official language of the Sessions reserved for Dental Technicians is Italian. Translation service into English will NOT be provided.

Certificates

Certificates of attendance will be available for download upon completion of the Congress by scanning the QR code provided at the registration desk.

Visa requirements

If you require an invitation letter for visa purposes, please contact the **Congress Secretariat** at: aic-conseuro@mjeventi.com

We strongly recommend that you get in touch with the Secretariat **as early as possible** to ensure sufficient time for visa processing.

Needs / disabled delegates

The **Congress Centre** is fully committed to ensuring accessibility and comfort for all delegates and speakers.

The venue works in consultation with accessibility specialists who regularly assess facilities and provide guidance on compliance with current disability regulations and standards.

- **Access and Mobility:** Raised step treads are provided outside the building to assist blind and partially sighted delegates. Entrance ramps are available for wheelchair users.
- **Lifts:** All lifts accommodate standard wheelchairs and feature low-level control panels and voice announcements.
- **Conference Hall:** The main hall includes a ramped entrance for wheelchair users and an additional ramp providing direct access to the stage and podium.
- **Doorways and Facilities:** All doorways are wide enough to accommodate standard wheelchairs. Accessible toilets are located on the **lower ground floor**.

Wheelchairs for visitors can be booked in advance by contacting the **Organising Secretariat**. Please note that assistance with wheelchair use cannot be provided.

If you require access for a **larger-sized wheelchair**, please inform the Secretariat **prior to your visit** so that suitable arrangements can be made.

Time zone

Bologna is located in the Central European Time Zone (CET), which is 1 hour ahead of Greenwich Mean Time (GMT+1).

General information

Travel to and within Bologna

Bologna remains one of the easiest Italian cities to reach and explore. It is well connected by air, train, and road, with efficient transport options both to and within the city.

By plane

Guglielmo Marconi International Airport (BLQ) is located about 6 km from the city centre and offers numerous direct connections with major Italian and European cities. The airport can be reached from the centre in **about 15–20 minutes** by taxi or public transport.

- **Marconi Express (People Mover):** A fast, automated monorail that connects the airport to Bologna Centrale railway station **in just 7 minutes**. Trains run every **7–10 minutes**. A one-way ticket costs around **€11**.
- **Taxi:** The average fare from the airport to the city centre is **€18–25**, depending on time of day and traffic.

By train

Thanks to its central position, Bologna is one of Italy's main railway hubs. **Bologna Centrale station** is served by high-speed trains (Trenitalia and Italo) connecting it efficiently with all major cities. Trains run frequently throughout the day, and tickets can be easily booked online through the main rail operators.

Getting around Bologna

The city centre is compact and largely pedestrian-friendly. Most major sights are within walking distance.

Hotel booking

Thanks to the collaboration with **Bologna Welcome**, participants can book their stay in Bologna directly, choosing among the best hotels and benefiting from special discounted rates.

→ www.bookingbolognawelcome.com

To take advantage of the discount, please enter the following details during the first step of your search:

- the dates of stay (must be between May 7 and May 10),
- the number of rooms and guests,
- the discount code: AIC26.
